

# Amateur Slalom Superstars

On the Sunday of the 2022 Canadian Water Ski Championships, up to 30 slalom skiers that do not otherwise qualify to ski in the Open division will have an opportunity for a second round in an Amateur Slalom Superstars event that will precede the traditional Open divisions.

## DIVISIONS

The Amateur Slalom Superstars will be comprised of two Divisions:

- A U35 Division, comprised of up to fifteen (15) skiers who were 34 or younger as of January 1, 2022
- A 35+ Division, comprised of up to fifteen (15) skiers who were 35 or older as of January 1, 2022

A minimum of  $\frac{1}{3}$  of each Division will be comprised of each sex.

## QUALIFICATION

Qualification for the Amateur Slalom Superstars event will be determined based on performances at the 2022 Canadian Water Ski Championships. Invitations will be given to the 15 skiers in each Division (U35 and 35+) who achieve the highest buoy count at their maximum boat speed (per WSC Rule 15.5) at the 2022 Canadian Waterski Championships. Scoring does not start until the skier achieves their maximum boat speed. No substitutes or alternates will be permitted if one of the invited skiers declines.

## SCORING

Scoring for the Amateur Slalom Superstars event will use the same scoring method as for qualification: highest buoy count at the skier's maximum boat speed. Again, scoring does not start until the skier achieves their maximum boat speed.

Examples:

- a Girls U10 skier achieves 3 buoys at 16m / 49km, scores 9
- a Mens skier achieves 6 buoys at 16m / 55km, scores 0
- A Mens 35+ skier achieves 3 buoys at 11.25m / 55k, scores 33 buoys

- A Women 55+ skier achieves 3 buoys at 11.25m / 52km, scores 33 buoys

In the case of ties, WSC Rule 15.11.2 shall apply (but not WSC Rule 15.11.1).

Prizes for first, second and third place will be awarded for each Division.
