

ROLES & RESPONSIBILITIES

CHIEF DRIVER

In addition to the roles and responsibilities of the Driver, the Chief Driver is responsible for the driving 'team'. The boat drivers will follow the lead of the Chief Driver.

Requirements: Appropriate level of certification for event

Arrive prepared for any weather (sunscreen, rain gear, water etc.)

Fulfill role in collaboration with Chief of Competition

Prior to start of tournament:

- Inspect all boats
- Inspect site to ensure all areas are safe, including but not limited to; docks and adjacent landing/takeoff areas, fuel storage, competition areas
- Map the boats for the slalom and jump courses
- Review communication signals with boat crew ensuring they are familiar with them

During the tournament:

- Assign drivers for divisions/events
- Chief Driver or Chief of Competition has the authority/ability to change out the boat driver at any point during the competition if necessary.
- Chief Driver should monitor drivers throughout the tournament to ensure they are driving safely and within the guidelines.
