

TOURNAMENT INCIDENT SUMMARY REPORT

WHAT IS AN ACCIDENT?

- Any instance where an athlete, official or volunteer sustains physical harm during participation in familiarization or the competition (bruise, cut, sprain, fracture, loss of consciousness, etc.)
- Any instance in which an athlete, official or volunteer requires medical assistance (on or off water)
- Any instance which requires an athlete or official withdraw from competition due to physical injury
- Any instance that require the competition to be stopped for any length of time other than protests or equipment failure

***This Form must be sent to WSWC even if no incident occurred**

It is essential to apply the above to both competition and familiarization.
